Third District Newsletter

September 2026

Alone we can do so little, together we can do so much. Helen Keller

Welcome to Our 2026-2027 Auxiliary Year My name is Cavaleene Regan, and I am grateful for the opportunity to serve as your 3rd District Auxiliary President this year. My focus for this year will be learning, service, and fellowship together.

My theme, "*Stitching Together Our Family, One Piece at a Time,*" reflects the strength of our unity. Each part of the American Legion Family brings its own traditions and dedication, and together we form something stronger than any one organization alone.

My project this year will focus on the Bravo Zulu House in Winnebago MN. If you have not heard of this, they service Veterans with PTSD and substance abuse and so much more. Also, they are in the process of building a second location in Mankato that will specifically support our female Veterans. There will be more information updates throughout the year.

As members of the American Legion Family, we have shared responsibility to honor the past, serve the present, and build a stronger future—one stitch, one act of service, and one piece at a time.

I have started site visits and look forward to hearing from all of you sharing more as the year unfolds.

Here are a few highlights we can look forward to:

- September: Mission-focused training hosted by Past Presidents
- October: Fall Conference in St. Cloud
- November 7: 3rd District Family Membership Rally in Pine Island
- November 8: Leadership luncheon to honor our Unit Presidents - that will be held in Morristown.
- December 5: Pearl Harbour Rally

Through it all, our mission remains Service Not Self as we continue supporting veterans, their families, and our communities.

Please watch updates on social media, in newsletters, and by email as we begin this new year. I am excited to see as many of you as possible and to serve alongside you.

May God Bless you and your families.

Cavaleene Regan

My name is Ireland Cooney and I'm honored to be the Third District Honorary Junior President this year, thank you Cavallene Regan for this appointment. I have been a Junior and the Little Miss Poppy for 3 1/2 years now for Elysian since I joined in 2023. I can be a member through my dad's service in the Navy and a couple of my great grandpas too. My dad was a SeaBee in the Navy and served in Mississippi, Korea, Spain, and Afghanistan. I'm proud of his service. I have 2 older brothers, both SAL members and both have been in the essay contest. My mom is Halie. Grandma Tammy Thayer, great grandma Edna Thayer, and many aunts are all Auxiliary members.

Besides being Little Miss Poppy, I attended Department Junior Fun Weekend at Legionville last year and the District Fun Day at St Paul Park. I also enjoyed my first Legionville Safety camp this summer. I attended my first district Poppy Palooza in Cleveland this year. This was the first year I could write an essay for the Americanism contest, and I was lucky to get second at state. I have been in a few parades and enjoyed handing out poppies at Memorial Days in the past. I have volunteered in the food stands. This month I will be a fifth grader at Harriet Bishop. I just joined Faribault Unit 43 and I'm glad our Junior Fun Day will be there. Thank you President Gina Little for hosting us.

My Theme: **One Smile at a Time**

My Project: **Collecting Dental Supplies for the Free Dental and Wellness Clinics for Veterans.**

They will be made into free dental kits to hand out at the clinics. We need: toothbrushes, floss, mouth wash without alcohol, toothpaste, breath mints, toothbrush holders, etc. They can be dropped off now at Faribault Unit 43, or brought to Fall Conference.

My Big Event: **Third District Junior Fun Day on November 14, 2026. Please come!**

VA&R Monthly Idea

I'm excited to be chosen to be the 3rd District VA&R chair for this year. I look forward to hearing from you on ideas on ways to support our veterans. This month an idea presented was to host a coffee Cafe once a month for all veterans to be welcome. Serving coffee, treats and support.

Email me your ideas, I would love to hear them. ginaalaunit43@gmail.com

Past President Parley by Linda Kelly

I'm back this year as your Past President Parley Chairman. This chairmanship is set up to be in order as our District Presidents served our district. Usually, this chairmanship is for only one year, because our Standing Rules dictate that a member can only serve as President for one year at a time. My exception is because I served for two consecutive years due to Covid 19.

We meet annually and at our meeting last fall we decided to help our members determine which of their activities, donations, and volunteer hours qualify under each of the annual reports that we submit.

And, YOU ARE INVITED.

On September 19, 2026
Shakopee American Legion
1266 1st Ave E, Shakopee, MN 55379
9 a.m. to 3 p.m.

There will not be a charge for this meeting, but there will be a handout, and we would appreciate you letting us know if you will be attending. We would appreciate each unit taking only one copy and making copies as needed when they get back to their units. You can RSVP to Secretary Karla at t.d.news2share@gmail.com or Past President Parley Chairman Linda at lkk auxiliary@gmail.com.

Lunch will be available from the Legion at your own expense. Thank you and we look forward to seeing you.

Barbara Stussy - Dist. President 1989/1990

Our District should be very proud of their Past President Parley. We recently lost Barbara Stussy, one of our past presidents. Many of your past presidents, along with several members, attended Barbara's funeral service. They gave a short program and shared the part that Barbara played in our District. Her family knew how much the American Legion Auxiliary meant to her, but the service reinforced for them. They were very appreciative.

The Chicken Shack will be open for lunch for purchase at the post.

Together, We strengthen our programs.
Together, we serve our mission.

All Are Welcome!
We look forward to seeing you there!

Autumn greetings! This is my favorite time of year. I love the cooler temperatures, colorful leaves, and cozy sweatshirts. I hope everyone gets outside to enjoy the season—I know I'll be heading to the apple orchards. Past Commander Don Skow and I are teaming up once again for our special contest at Fall conference, and I hope you will consider being one of our judges.

This summer did not feel like much of a break from the Auxiliary. We had picnics, meetings, workshops, and conventions. It was fun, but it was also a lot of work. I hope we can carry that momentum into fall. District chairmen who missed the workshop missed a good one filled with helpful information.

Here are a few important reminders:

- Newsletter articles are due on the 15th of each month, including Golden Unit News submissions.
- **Please do not send PDF files.**
- Please avoid sending photos to my phone. Instead, use the Third District email address: t.d.news2share@gmail.com.
- Some chairmen have special months when they need to submit articles, so please be prepared.
- Yes, you may write more than one article.

Please note: It was agreed at the executive meeting that chairmen do not need to create a trifold board for Mid-Winter.

Unit reports are due to the appropriate district chairman by April 15th. District chairmen must submit their reports to the District Secretary by April 24.

Hopefully the weather cooperates so we can hold Mid-Winter on January 16, 2026, at 9 a.m. in Eagan, Post 594. I believe it will be held at their Community Center. Stay tuned for more details.

Hero's Hub Open House

Please take a moment to learn more about Hero's Hub, a new resource in our district. Unit 45 in New Prague is hosting an open house on September 27, and several of us recently had the opportunity to tour the space and hear Joni speak passionately about its mission.

Hero's Hub will be a wonderful asset for Unit 45 and for our entire district. Units that would like to help, are encouraged to consider a donation or collection of new items, which will be shared with veterans in need.

The Third District website is slowly taking shape. I hope that this year we can build out the Program Files tab with helpful information and fresh ideas for our units. To me, getting this completed feels a bit like herding cats.

Facebook is back, and Michelle, Barbara, Tammy, and I are working hard to keep you up to date on activities in our district. If you have an activity, you would like to share, please let me know. I may be able to post it on Facebook and on our website.

Social Page Be sure to watch for our "Social Page" for helpful updates and planning information. You will find a save-the-date calendar to make scheduling your fall activities easier, along with a social calendar where units and posts can share upcoming events, recurring meals, and special occasions.

- Recurring events, such as steak Frys, Hamburger Basket specials, Fish fry'
- Special occasion events hosted by units or posts
- Dates and reminders to help members plan ahead

Hope to see you soon. Karla, Third District Secretary

Junior Activities Program District 3 Chairman, Tamara Thayer, Faribault Unit 43

The American Legion Auxiliary Junior Activities Program is one of the best ways we can introduce young people to the joy of serving others, honoring our veterans, learning about patriotism and developing leadership skills.

Junior members are ALA membership age 17 and under. The purpose of the Junior Activities Program is to inspire these young members to become active, productive members of the Auxiliary and to encourage them to continue their membership into adulthood. The program emphasizes giving Juniors a voice, meaningful opportunities to participate, learning about the ALA mission and making junior meetings fun and informative.

For our 3rd District units, Junior Activities should not be thought of as simply a program for children. It is an investment in the future of the American Legion Auxiliary.

What can juniors do all year long?

There are opportunities for Juniors in virtually every area of the Auxiliary's mission. A Junior does not have to wait for a special junior event to participate.

Serving our veterans, Juniors can:

- Make cards, letters and drawings for veterans.
- Visit veterans when permitted and participate in veteran recognition activities.
- Help with VA and veteran's home projects appropriate for their age.
- Assemble care packages for deployed service members.
- Participate in troop-sendoffs and welcome-home events.
- Help with Poppy Program activities and distribute poppies while learning what the poppy represents. Participate as a "Little Miss Poppy" if 12 years old and under or if older they could serve as the "Poppy Princess".
- Participate in Memorial Day and Veterans Day activities.
- Help with POW/MIA remembrance events.
- Participating in Wreaths Across America Activities.
- Juniors can make patriotic crafts or gifts for veterans.
- Help prepare Christmas gifts or holiday packages for veterans.
- Collect personal-care items for veterans in need.
- Participate in fundraising projects that benefit veterans.
- Interview veterans and preserve their stories, with appropriate adult supervision and permission.
- Juniors can work together with SAL Youth to work on and earn the patches. Both programs have the same patches.
- If your Auxiliary Junior Program has few members, you can work together with the SAL Youth on most of these activities.

Helping Military Families

Juniors can learn that serving veterans also means supporting the families who stand beside them.

- Have the Junior members present the Military Child's Table at a special event.
- Make cards for military families, and prepare care packages.
- Collecting school supplies or personal-care items.
- Helping with family events held at the Post.
- Organizing a toy or book drive to support military families.
- Teaching younger children about patriotism and the American Flag.
- Participate in community clean-up projects, food drives, collecting donations for local food shelves, participate in community parades, and local patriotic ceremonies.
- Organize a fund raiser for a veterans' cause.
- Make blankets, fleece-tie blankets or comfort items for people in need.
- Help with cemetery beautification or veteran grave-marking projects.
- Adopt a veteran, military family or community organization for a year-long service project.

The ALA's organization structure specifically includes Junior Activities alongside programs such as Children & Youth, Community Service, Americanism, and Veterans Affairs & Rehabilitation, giving units many opportunities to combine programs and involve Juniors in the Auxiliary's broader mission.

Don't forget the Junior Patch Program! One of the best ways to keep Juniors involved throughout the year is the ALA Junior Patch Program. The National Junior Activities specifically encourages participation in the Patch Program as a way to teach Juniors about the mission of the American Legion Auxiliary. Instead of simply telling a junior what the Auxiliary does, let them experience it! That is how a young member learns that their service matters.

Junior meetings can be FUN! Include: crafts, patriotic games, Trivia, pizza or snacks, guest speakers, veteran visits, service projects, care-package projects, awards and recognition, photos of their accomplishments, and junior-led project planning.

Encourage your Juniors to participate in District 3 events such as the Junior Fun Day with Veterans, Department Junior Fun Day, Legionville, and Juniors age 8 and older are invited to participate in national Junior meetings.

Send a Junior member to Girls State, encourage them to participate in the Americanism Essay Contest and the Oratorical Contest through the Legion.

Every Unit in 3rd District should ask itself: "Do we have Junior members?" If the answer is no ask "Why not?" If the answer is yes, ask: "Are we giving them meaningful and fun ways to serve?" and "Are we recognizing and celebrating what they accomplish?"

The future of the American Legion Auxiliary is our Juniors – our children, grandchildren, nieces, neighbors, and friends.

Let's invite them in.

Let's give them a voice.

Let's teach them the meaning of service.

Let's introduce them to our veterans.

Let's give them opportunities to lead.

And most importantly, **let's make being an American Legion Auxiliary Junior something they are proud to be.** A Junior today can become an Auxiliary Leader Tomorrow... Our Junior members aren't just the future, they are part of the Auxiliary today.

Every card they make, every veteran they thank, every poppy they distribute, every community project they complete and every new Junior they invite is another way they are carrying forward the mission of the American Legion Auxiliary.

For current Junior Activities resources, awards, forms, and program information, type "American Legion Auxiliary Junior Activities" in the Google search bar for the national website, or click on this link [Junior Member Activities | American Legion Auxiliary Department of Minnesota](#) **Let's give our Juniors every opportunity to serve, lead, learn, and have fun – because when we invest in our young members, we are investing in the future of the American**

Sherri Hernandez-Neville

Hello American Legion Auxiliary Family,

My name is Sherri Hernandez-Neville, and I am honored to serve as your Third District Auxiliary Membership Chair. I look forward to working with our units and members as we grow membership and support one another throughout the year.

My eligibility comes through my family's proud tradition of military service. My grandfather, Genarus Hernandez, served in the U.S. Army during World War II. My uncle, James Hernandez Sr., served in the U.S. Army, and my father, Frank Hernandez, served in the United States Marine Corps; both were Vietnam Era veterans. Their service continues to inspire my commitment to veterans, patriotism, and community service.

Membership is the heart of the American Legion Auxiliary. It gives us the strength to serve veterans, support military families, encourage youth, and promote Americanism in our communities.

Our first goal is to reach **30%** membership by **September 15**, followed by **50%** membership by Fall Conference. The district that takes first place at Fall Conference will take home the coveted **Scanlon Plaque**. With personal contact, teamwork, and encouragement, I know we can get there together.

I would be happy to visit any unit that invites me—to listen, answer questions, and offer support where I can. If you would like to gather once a month to make poppies, share ideas, talk membership, and enjoy camaraderie, please let me know. I would love to help bring us together.

I am still planning for the year ahead, and you will hear more from me in the next letter to come.

Making a difference, One member at a time!

POW/MIA CEREMONY

Narrator: Today, we pay tribute to the men and women who have served our nation unselfishly. Within each of us lies the American spirit, a burning desire to dedicate and commit ourselves to the 31 American Legion Auxiliary Chaplains' Prayer Book American ideals of freedom. This desire is deep within the heart and soul of each Soldier, Sailor, Airman, Marine, and Coast Guardsman. It is undaunted by weather conditions, living conditions, or hardship of mission. When the bells of freedom first rang out, we were there at Bunker Hill, Lexington, and the brutal winter at Valley Forge. Thousands of us gave our lives at Bull Run, Manassas, Antietam, and Gettysburg. We rode with Teddy Roosevelt and his Rough Riders up San Juan Hill. Whenever and wherever, America called, we were there. We fought battles of the Marne and Chateau Thierry in World War I. We were at the Battle of the Bulge, the Ardennes Forest and all along the European front of World War II. We endured Corregidor. We survived the Bataan Death March. We raised the Flag at Iwo Jima. We landed at Utah and Normandy on D-Day, 1944. We have never failed to answer our country's call. We fought the unrelenting fight at the 38th parallel, better known as Korea. We trudged through the rice paddies and jungles of Vietnam, Cambodia, and Laos. We were the 241 Marines killed in Beirut. We were the pilots who flew the daring mission against Libya and international terrorism. America has always counted on us. We were the peacekeepers in the Sinai; liberators of the tiny island nations of Grenada; restorers of democracy in Panama; victors in the sand of the Middle East. We were givers of hope in Somalia and Bosnia. America's military has always been the beacon of freedom, shining for all to see. We have marched with our heads held high and served with pride. Through all these periods of war and American history, one question remains unanswered: Where are our brothers—our prisoners of war, our missing in action veterans? This is not an absence of choice but rather one which emulates duty, honor, and country. Let us remember their absence. (Pause) We call your attention to the small table, which occupies a place of dignity and honor. It is set for one, symbolizing the fact that members of our armed forces are missing from our ranks. They are referred to as POWs and MIAs. We call them comrades. They are unable to be with their loved ones and families, so we join together to pay humble tribute to them, and to bear witness to their continued absence. 32 American Legion Auxiliary Chaplains' Prayer Book The table is small, symbolizing the frailty of one prisoner, alone against his or her suppressors. The tablecloth is white, symbolic of the purity of their intentions to respond to their country's call to arms. The single rose in the vase signifies the blood they may have shed in sacrifice to ensure the freedom of our beloved United States of America. This rose also reminds us of the family and friends of our missing comrades who keep faith, while awaiting their return. The red ribbon on the vase represents the red ribbons worn on the lapels of the thousands who demand, with unyielding determination, a proper account of our comrades who are not among us. A slice of lemon on the plate reminds us of their bitter fate. The salt sprinkled on the plate reminds us of the countless fallen hearts of families as they wait. The glass is inverted; they cannot toast with us at this time. The chair is empty. They are NOT here. The candle is reminiscent of the light of hope, which lives in our hearts to illuminate their way home, away from their captors, to open arms of a grateful nation. The American flag reminds us that many of them may never return— and have paid the supreme sacrifice to insure our freedom. As you say the following, a veteran of each military branch will place his or her cap, on the appointed plate. If preferred, members of The American Legion; American Legion Auxiliary, including Juniors; or Sons of The American Legion could place a flower rather than a cap.) Please rise. Wait a few seconds. In honor of the United States Army, we place this cap [flower]. In honor of the United States Marines, we place

this cap [flower]. In honor of the United States Navy, we place this cap [flower]. In honor of the United States Air Force, we place this cap [flower]. In honor of the United States Coast Guard, we place this cap [flower]. Please observe one minute of silence to honor these missing Americans. Pause for one minute. Remember them, for surely they remember you. May God forever watch over them and protect them and their families.

District Chaplain Ann Bovy

Dear Loving Father,

We pause to remember the great losses and courageous acts of September 11th. We lift those who are still affected- Families of the victims, police officers, firemen and Firewomen, first responders and all who were involved. We pray for light of Christ to flood the hearts of people everywhere. We believe you desire to redeem all your creation, and we trust that beauty will continue to come from the ashes of our darkest days. Surround us with your mighty angles of protection, give us compassion for one another in all life's circumstances, and the courage to answer your call. Amen

"Congratulations to 3rd District Darlene Wondra for all the years she volunteered at the Hastings Veterans Home. She will be missed."

LEADERSHIP – Darlene Wondra, chairman

As we starting the new Auxiliary Year let's review our pledges we made during our Unit installation.

Sergeant at arms, you are responsible for order at all meeting and events; for the advancement and retirement of the colors and for their proper care; **for courtesies to guests** and such other duties as may be assigned to you; for regular attendance at meetings and cooperation with the President.

Chaplain, you are the spiritual leader of this Unit. Your words and actions will represent our founding principles of service to God and Country. You will be responsible for the observance of all religions ceremonies. It is expected that you will so dignify your office that all fellow members will follow your example.

Historian, you are responsible for the compiling and preserving of the records of this Unit. The lamp of recorded experience will do much to guide the footsteps of those who follow.

Parliamentarian, you are the interpreter of the Standing Rules, and the Constitution and Bylaws of our Unit. Keep in mind the good of the American Legion Auxiliary when called upon for a ruling.

Treasurer, your office is one of trust. You are responsible for this year's budget and for payment of all authorized obligations. Guard well your trust.

Secretary, your duties are those of administrative and the promptness and discretion with which you meet your responsibilities will contribute to the success of this Unit.

Executive Committee Members, your duties are to assist the President and the Vice Presidents in decisions, recommendations, or any plans for our Unit projects or plans.

Second Vice President, into your helpful hands is placed the responsibility of assisting the Vice President and President in all their duties. You will always be alert to apply the teachings of freedom to the proceedings of this Unit.

First Vice President, to you is given the active cooperation with the President for the development of the Unit program. In the absence of the President, you will be prepared to assume the duties of her office. Your office carries with it the teachings of Justice. Always remember that Justice is the guiding Star of Life.

President, great trust has been placed in you by your election to the highest office within this Unit. And as you assume the duties of the Unit President of the American Legion Auxiliary, I charge you to carry constantly in your mind the obligation which is yours, that of upholding the four great principles expressed in the Preamble to the Constitution: Justice, Freedom, Democracy and Loyalty.

Every member of the Units pledge, 'I solemnly promise to renew my pledge of service to the American Legion Auxiliary and to give wholehearted support to these Unit Officers.'

St Peter Regional Treatment Center

One of our ALA Third District programs is the St Peter Regional Treatment.

The St Peter Regional Treatment Center was under the ALA Veterans Affairs & Rehabilitation program of the Department of Minnesota. In the late 1990 – early 2000 the treatment center was discontinued. The ALA 3rd District did not want the Veterans to go without the Gift Shop; \$5 bill shower and all the other benefits we provided for them. The Department American Legion includes the veterans there in all their benefits that they provide the other homes/hospitals, for example the pheasant dinner.

The St Peter Regional Treatment Center has three programs on their campus:

Forensic Services Mental Health Program (FMHP)

Forensic Services Nursing Home

Minnesota Sex Offender Program (MSOP)

NO VETERANS LEFT BEHIND

Of the 500-600 patients/clients on this campus, about 25 are Veterans. In the form of the Gift Shop and the \$5 bill shower, our 3rd District has made sure each Veteran is appreciated. The veterans there enjoy their gifts, pizza parties and playing BINGO or Trivia (with prizes), during the Veterans Day and spring parties. We cannot visit with the veterans in the MSOP program, but they do receive their gifts.

Just like any of us.... how we feel about ourselves is important, which is a great part of their treatment. We say thank you, for their service through the parties and gift we provide for them. When I'm there with them, they proudly wear their t-shirts, sweatshirts or caps they have been given, and can't thank me enough for not forgetting about them.

Please put into your Units budget a donation to the St Peter Regional Treatment Center, the veterans there appreciate being remembered.

Thank you – thank you – Thank you – Thank you – Thank you – Thank you

I can't say it enough for all the support my district has shown me over the past years – as part of your District Executive Committee – your District President – your Department 1st and 2nd Vice President, and now as your Department of Minnesota President.

Thank you, members, for cheering me on at installation at convention, Sherry, for the beautiful poppy gem picture, and all of you for your donation at convention to jump-start my project. It was appreciated.
